

## Dr Steve Mackie BSc, MBA and PHD

Dr Steve Mackie has ~40 years' experience in the upstream petroleum industry functioning in both regional and field specific geoscience and engineering. As well as running his own successful consultancy he has worked for multinationals and local explorers in both senior technical and executive roles.

He holds a BSc (Macquarie), MBA (Uni SA) and PhD (Adelaide).

He serves as:

- an adjunct Associate Professor at the Australian School of Petroleum, University of Adelaide
- Chairman of the advisory board for the Australian School of Petroleum, University of Adelaide
- Chairman of the Australian Petroleum Production and Exploration Association (APPEA) Technical Program Committee
- Editor of the APPEA Journal
- Immediate Past Federal President of the Petroleum Exploration Society of Australia (PESA) (President 2015/17)
- Distinguished Lecturer for Society of Petroleum Engineers (SPE) (2016/17 season)

He is an honorary life member of APPEA; an honorary life member of PESA, a member of the American Association of Petroleum Geologists (AAPG), European Association of Geoscientists and Engineers (EAGE) and SPE.
